Mr. E. R. McMaster,
499, No. Water Street,
Kittanning, Pa.

Dear Sir:

Our janitor spoke to me the other day of your desires about a Kittanning medal, and said that you would like a photostat of the two pages in Betts' book showing this medal.

If you have been unable to get a photostat, we can make a photograph of these two pages for about \$2.00, we here not being equipped with a photostat machine.

Very truly yours,
